

something blue

The new wedding resource for Bruce, Grey, Huron.

Our mission is to help maintain and grow healthy economies in small rural communities through marketing and promotion of businesses and services within these communities.

What's in it for me?

A listing on **YourSomethingBlue.ca** is more like a microsite where you can log in and update your content any time. The site and your listing is search engine optimized, fully mobile compatible and includes features like: a photo gallery, videos, amenities, Google mapping, social media links and more!

How much does it cost?

Enhanced listing	\$20/month
Enhanced listing w/banner ad	\$35/month
Enhanced listing w/header ad	\$50/month

Payment is billed to your credit card with a statement sent automatically to your email. Invoices can be viewed and printed right from your account. To keep the site consistent, we ask that you sign up for a minimum of one year.

For added value, if Tourist Town operates another website that is applicable to your businesses, your listing is added to that site as well for no extra charge. For example, a spa in Port Elgin that offers registered massage therapy may be eligible to be on **DowntownPortElgin.ca (BIA)**, **VisitPortElgin.ca**, **VisitSaugeenShores.ca**, **GotBenefits.ca**, **ExploretheBruce.com**, **couponcountry.ca** and **YourSomethingBlue.ca**...7 websites, \$20/month. Our goal is always to increase value without increasing your cost.

How is the website promoted?

YourSomethingBlue.ca is linked to other Tourist Town websites across the region, is promoted through a printed publication and through social media.
