WHY DO I NEED A BRAINTREE ACCOUNT?

Braintree Payments is a trusted Paypal Service. It's one of the quickest and most secure ways to receive online payments.

HAVE A FREE TRIAL?

NO. Due to the extensive setup process, we do not offer a free trial. You may cancel your account at any time, and we will not bill for the following month.

DO I NEED ANY SPECIAL EQUIPMENT TO USE LOCAL TAKEOUT?

You only need to have a phone to begin; however, some restaurants find it helpful to buy an inexpensive tablet to use as a dedicated device for online order management. Some restaurants choose to integrate their online ordering with a Star Micronics receipt printer which is supported.

WILL I BE ABLE TO TRACK MY SALES THAT COME FROM LOCAL TAKEOUT?

YES! There are two ways:

1. login to your account to view sales reports.
2. look at your daily sales summary email that automatically gets sent to you each day.

I WOULD LIKE A BRANDED APP FOR MY RESTAURANT WHERE CUSTOMERS CAN ORDER.

DO YOU OFFER THIS?

YES! Just select our App Package and we will generate your own branded apps for the Apple AppStore for iOS devices and Google Play for Android devices. (Note: that there can be a minimum of 7 days before we submit the app and then all apps are subject to review by the AppStores and Google Play and those review times can vary).

***COVID-19 ALERT:** Many areas have banned or limited dine-in seating. Our goal is to offer an affordable solution for you to receive food orders directly to your restaurant during this time. Rates may change in the future with prior notification. You can cancel your account at any time.
